Teachings of Bahá'u'lláh: One Human Family

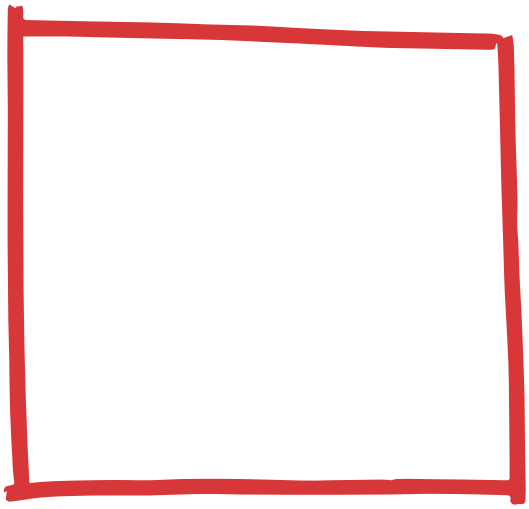
Activity Worksheet 2

Name:

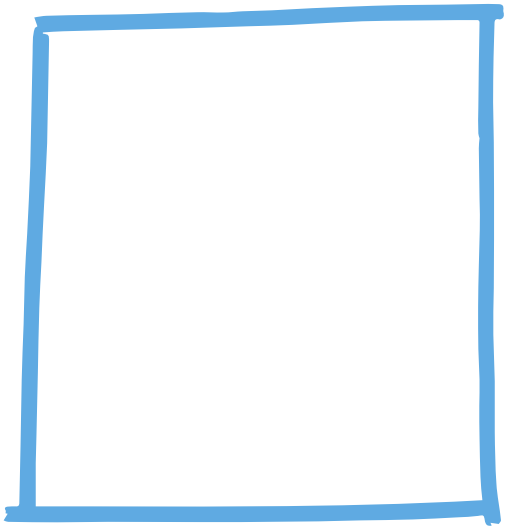
Date:

Baha'u'llah gave many beautiful examples of unity (togetherness) to show how we are one human family. Illustrate the examples below and add one of your own to show how we are a part of a greater whole.

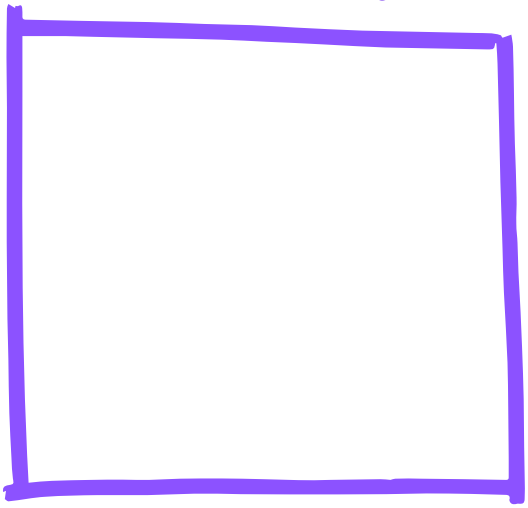
We are the fruits of one tree



the leaves of one branch



the flowers of one garden



We are all...

Teachings of Bahá'u'lláh: One Human Family

Activity Worksheet 2 - INSTRUCTIONS FOR TEACHER

Name:

Date:

After the children have drawn a picture the first 3 boxes encourage them to come up with their own metaphors for unity in the last box.

Ask them to complete the sentence "We are all..."

For example:

We are all...

the sprinkles of one doughnut.
the books in one library.
the stars in the night sky.
the bricks of one building.
the clouds in one sky.

Have fun letting the children come up with their own examples.
